a good thing. This is just the book to get little readers ready
for changes in their lives.

Jimmy had just turned 5
and was starting school.

He was frightened.
He had never been to school before.

Jimmy did not know what to expect
and he did not want to leave home by himself.

Jimmy's Mom told him
not to be afraid as she walked him to his bus stop.

She told him he would make new friends
and have lots of fun.

Jimmy was being brave
as he got on the bus and sat down.

He waved to his Mom
as the bus drove away.
